

Symposium and networking meeting concerning the project “Second generation of European hardwoods plantation optimized for market uptake”

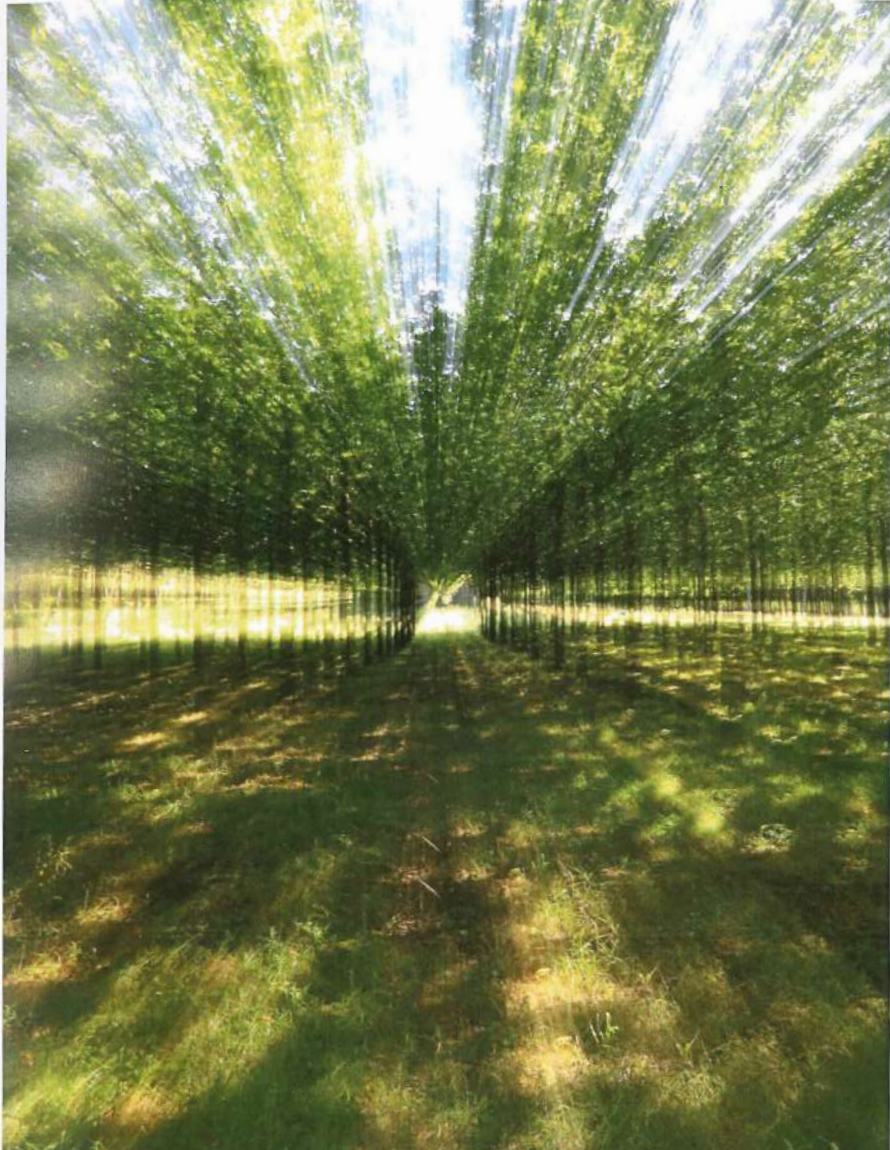

CENTRE SCIENTIFIQUE DE L'ACADÉMIE POLONAISE DES SCIENCES À PARIS 74 RUE LAGRANGE, 75006 PARIS SECOND GENERATION OF PLANTED HARDWOOD FORESTS IN THE EUROPEAN UNION
SEPTEMBER THE 16TH AT 10:00AM Symposium and networking meeting

September 16th Symposium and networking meeting

10:00 Second generation of European hardwoods plantation optimized for market uptake

SEPTEMBER 16th 2019

Welcome coffee

10:00 Welcome by **Magdalena SAJDAK** (Polish Academy of Sciences Scientific Center in Paris) and **Elías CUETO** (Seistag Innovacion SL)

Session I

10:15-10:30 **Emmanuel GROUDEL** (Wood & Logistics Expert, SAS)
Woodnat Project: an opportunity to develop the use of small dimension logs

10:30-10:45 **Francesco PELLERI** (Consiglio per la Ricerca in Agricoltura e l'analisi dell'Economia agraria, CREA)
Innovative walnut and poplar mixed tree farming plantation: the polycyclic plantations

10:45-11:00 **Beatriz de la PARRA** (ECM Ingenieria Ambiental SL)
Mycology: Innovative alternatives to the elimination of walnut stumps with edible and medicinal mushroom

11:00-11:15 **Ignacio URBÁN** (Bosques Naturales)
*Commercial walnut (*Juglans sp.*) planted forests: the importance of plant material and the use of clones*

11:15-11:30 **Elías CUETO** (Seistag Innovacion SL)
Timber and veneer transformation: colour modification by means of dyeing and digital printing

Coffee break

12:00-13:30 ***Wood industry in front of climate change – Brain storming panel***

Mateusz BARCZEWSKI (Poznan University of Technology)

Clément CHEVIGNON (IKWIB SAS)

Patrycja HOCHMAŃSKA (Łukasiewicz Research Network - Wood Technology Institute)

Danuta MATYKIEWICZ (Poznan University of Technology)

Anna STACHOWIAK-SZREJBROWSKA (Institute of Plant Genetics, Polish Academy of Sciences)

Paweł SULIMA (University of Warmia and Mazury in Olsztyn)

Moderators: **Magdalena SAJDAK** (Polish Academy of Sciences Scientific Center in Paris)

Emmanuel GROUDEL (Wood & Logistics Experts, SAS)

13:30-14:00 **Christophe COTILLON** (National Contact Point)
Potential Programmes and Possibilities

Networking lunch

Session III

15:30-16:00 One-on-one networking meetings

Closing words & cocktail
